

## **Privacy Policy**

### **What Information is Collected?**

CalaverasGrapeStomp.com (hereinafter referred to as “the website”) does not collect or record your IP Address. The website does not utilize “cookies” or otherwise put any information on, or any code designed to retrieve information from, your computer. Information, including credit card or other banking or financial account information, is collected from you only if you choose to download the Stomp Application Form, print it, and return it to the address listed on the application by physical mail, or via fax. At no time does the website collect this information.

The website links to other websites. Neither CalaverasGrapeStomp.com nor the Calaveras Winegrape Alliance is responsible for the policies or procedures of any or all of those websites.

### **What Will We Use Your Information For?**

Printed information returned to us via physical mail or fax will be used to make a specific transaction, or resolve questions related to that specific transaction. Your information, whether public or private, will not be sold, exchanged, transferred, or given to any third party for any reason other than an authorized order of the court, without your consent, for any reason.

Some of the information you provide us will be published on the website, including your name(s), name of your team, your city, your sponsors (if any), and your results in the Grape Stomp. The Calaveras Winegrape Alliance may also, at its discretion, utilize your contact information for marketing purposes.

### **How Do We Protect Your Information?**

The website itself protects your information by not collecting any.

The physical forms containing your information, including credit card number, or other banking or financial account information, are securely stored. Neither the forms themselves, nor any financial information contained on the forms, will be digitized or stored in any electronic database. Only those individuals necessary to process your transaction(s), if any, have access to your credit card number, or other banking or financial account information.

Your contact information only will be maintained on a password protected database on a local computer, backed up on a password protected server.

### **Changes to This Privacy Policy**

We reserve the right to change this Privacy Policy at any time. However, if we do decide to change our privacy policy, these changes will not be applied ex post facto. Any information collected under the terms of this Privacy Policy will remain bound by this Privacy Policy.
